

The Bathroomware Collection

The quality and finish of the Perrin & Rowe basins & toilets has to be seen to be appreciated. These beautiful products are made in Perrin & Rowe's dedicated factory in England, by craftsmen who have spent a lifetime in the industry. Each suite in Edwardian, Victorian and Art Deco styling is designed to Australian plumbing standards, with dual-flush (WELS 3 Star 6/3L per flush) toilets. The traditional wall hung pan has a WELS 4 Star rating when connected to the Geberit 4.5/3L in-wall cistern.

The complete Bathroomware Collection can be viewed at www.englishtapware.com.au
