2024 CABINET HARDWARE

THE STORY OF A LIFE WELL CRAFTED™

We believe distinctive stories are what make life exceptional. The discovery of time-honoured craft opens the door to stories unlike any other. Stories of place and provenance. Stories of dedication and passion. Stories of artistry and heritage.

Through Perrin & Rowe, you will find countless stories in every detail. And the closer you look, the more you will see the details of your own story. A story of a life well crafted.

OUR FINISHES

Like the finest jewellery, Perrin & Rowe® tapware has an exacting sense of proportion. We believe the best way to make the best is to bring together the foremost in innovation with time-tested techniques. Crafted in England, Perrin & Rowe designs juxtapose reinterpretations of the past with novel styles of the present.

Perrin & Rowe allows further customisation of the classical range, offering black glazed porcelain lever and handle inserts, as well as inserts in all of the Perrin & Rowe metal finishes.

CHROME - CP

A shiny finish with a hint of blue for a classical or Langbourn feel.

NICKEL - NI

A shiny finish with a golden glow. If left, nickel will develop an aged patina similar to silverware, with the occasional polish restoring its original gleam.

PEWTER - PF

A brushed nickel finish which is the perfect complement to stainless steel sinks and appliances.

POLISHED BRASS - BR

This is uncoated bare brass with a smooth polished finish. Brass oxidises over time to gain a characteristic patina.

SATIN BRASS - SB

This is uncoated bare brass brushed for a satin look. Brass oxidises over time to gain a characteristic patina.

GOLD - IG

This finish, which contains real Gold, will give a luxurious look.
